List of Passengers on the Batavia

Between 1880 and 1924, approximately three million Eastern European Jews emigrated to the United States. Many of them left from ports in Germany, such as Hamburg. The following document is a list of passengers on the S. S. Batavia, a ship that sailed from Hamburg to New York, arriving on July 9, 1907. The list records passengers' names, destinations, health conditions, finances, and other traits.
