Part 3: A Night to Remember

MISSION 4: "City of Immigrants"

A NOTE TO THE EDUCATOR:

The purpose of these questions is to check the students' understanding of the action of the game and the history embedded in that action. Since the outcome of gameplay can vary depending on the choices the student makes, the answers to the questions might also vary.

Some students might learn information later than others, or not at all. If you choose to discuss students' responses as a whole group, information can be shared among all your "Lenas."

There may be more questions here than you want your students to answer in one sitting or in one evening. In that case, choose the questions you feel are most essential for their understanding of Part 3.

Feel free to copy the following pages of this activity for your students.

If you are not planning to have your students write the answers to the questions, you'll need to modify the directions.
