Guiding Question: What was daily life like for the Plains Indians in the middle of the 1800s?

Mission Reflection

After completing the Prologue and Part 1 of *A Cheyenne Odyssey:*

1. What did you observe about the environment in which the Northern Cheyenne lived? What did you notice about their shelter and resources?

2. Name and describe the members of Little Fox's family who you met.

3. The storyteller in the Prologue says, "As the world changes, so do the Cheyenne." What are some examples of the Cheyenne adapting to a changing world that you learned about in the Prologue and Part 1?

4. What are some of the responsibilities that Little Fox has in his family and community? How are responsibilities that you have in your family and community the same, and different?
