

## City of Immigrants Parts 2 and 3

**Guiding Question:** How do immigrants balance their commitment to family, cultural, and religious traditions with their desire to assimilate or explore the new opportunities in America?

### Decision Tracker

*Circle one of the values below that you will prioritize as you play Parts 2 and 3 of City of Immigrants.*

- Maintain traditions and family
- Make money and succeed in America
- Fight for fairness and change
- Assimilate and become American

*As you make decisions as Lena in Parts 2 and 3, do your best to prioritize the value that you chose. Record and describe at least two decisions you make in the game in which that value is a factor.*

What did you do, and why?	How did your decision connect to the value you chose?	What other values, if any, influenced your choice?
